Dear Friends,

Hope by the grace of Almighty you are keeping well. We do also.

You may be aware of the humanitarian activities being carried out by Ramakrishna Mission – an organization started by Swami Vivekananda in 1897 in order to give practical shape to the teachings of his Guru Shri Ramakrishna of serving the human beings irrespective of caste, creed, colour or religion, while looking upon them as Divine. At present we have 160 branches all over the world. The head quarter is at Belur Math, Dist. Howrah, West Bengal.

Ours is a branch centre of Ramakrishna Mission at Porbandar, the Holy land of Sudama,Sri Krishna's Childhood friend and a birth Place of Mahatma Gandhi. The great man & the Saint of millennium, Swami Vivekananda consecrated this city & also sanctified the Bhojeswar Bungalow by staying about four month during 1891-92,then residence of Shankar Pandurang Pandit, the administrator of Porbandar. In 1997 Govt.of Gujarat handed over this Bungalow to Ramakrishna Mission to start a branch center. Various humanitarian activities are carried out by the center with the ideal, of "Service of Man in Service of God,"

As you know that now a day Govt. of Gujarat is suggesting putting Solar systems with the help of subsidy to reduce electric bills. We have started the mounting of solar grid in ashram premises and one system already installed at Memorial building. We have mounted 6 kw Solar panels at our memorial building with help of Govt.of Gujarat which costed us about Rs.2.90 lac.We received 20 percentage subsidy through scheme of Gujarat Govt.

Gujarat Pavitra Yatratham Vikas board has sanctioned two more projects for our ashram allowing us 70 percentage subsidies as a special case, as Swami Vivekanandaji this place Sanctified by staying here about 4 months.
